

ELECTRON CONFIGURATION WORKSHEET

NAME: _____

Directions: Fill in the following chart

Element Symbol and Name
Fluorine
Full Electron Configuration
Shorthand electron configuration
of Valence Electrons

Element Symbol and Name
K
Full Electron Configuration
Shorthand electron configuration
Valence Electrons

Element Symbol and Name
Si
Full Electron Configuration
Shorthand electron configuration
Valence Electrons

Element Symbol and Name

Ba

Shorthand electron configuration

Valence Electrons

Element Symbol and Name

Arsenic

Shorthand electron configuration

Valence Electrons

Element Symbol and Name

Rb ⁺¹

Shorthand electron configuration

Valence Electrons

Element Symbol and Name

Ar

Shorthand electron configuration

Valence Electrons
